BUS. MGR. • ALICE PAPPAS

The theme this year reflects the convictions of the MIAHI staff that great literature is important because it makes life meaningful. Therefore we have searched dilignty for selections that characterize the varied activities of the school in order to visualize your life at Miami High through quotations. When you read them, let their content help you relive your year at Miami High.

If we are to enjoy life, now is the time. . . . The best preparation for a better life next year is a full, complete, harmonious, joyous life this year. Our beliefs in a rich future life are of little importance unless we coin them into a rich present life. Today should always be our most important day.

Dedication

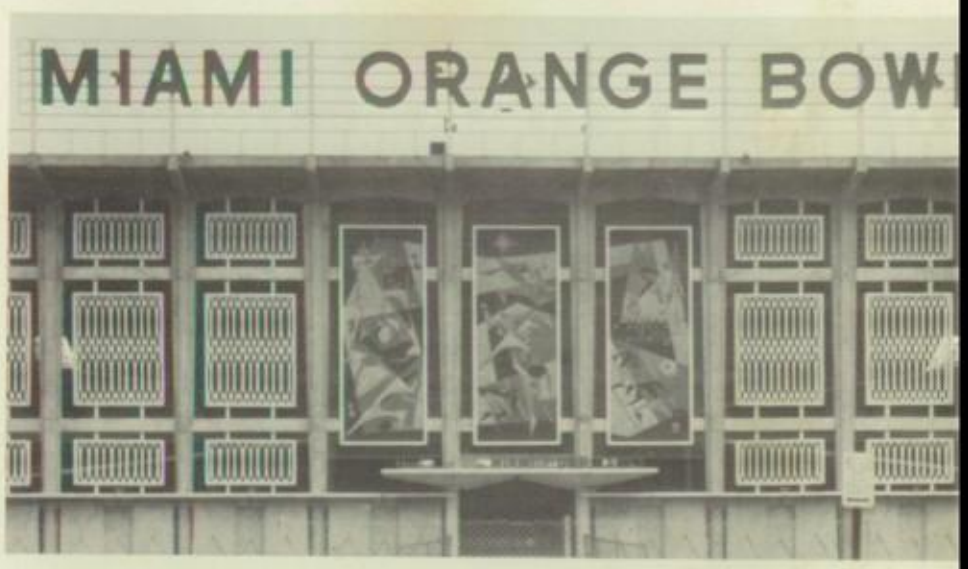
Mrs. Loleita Ransom

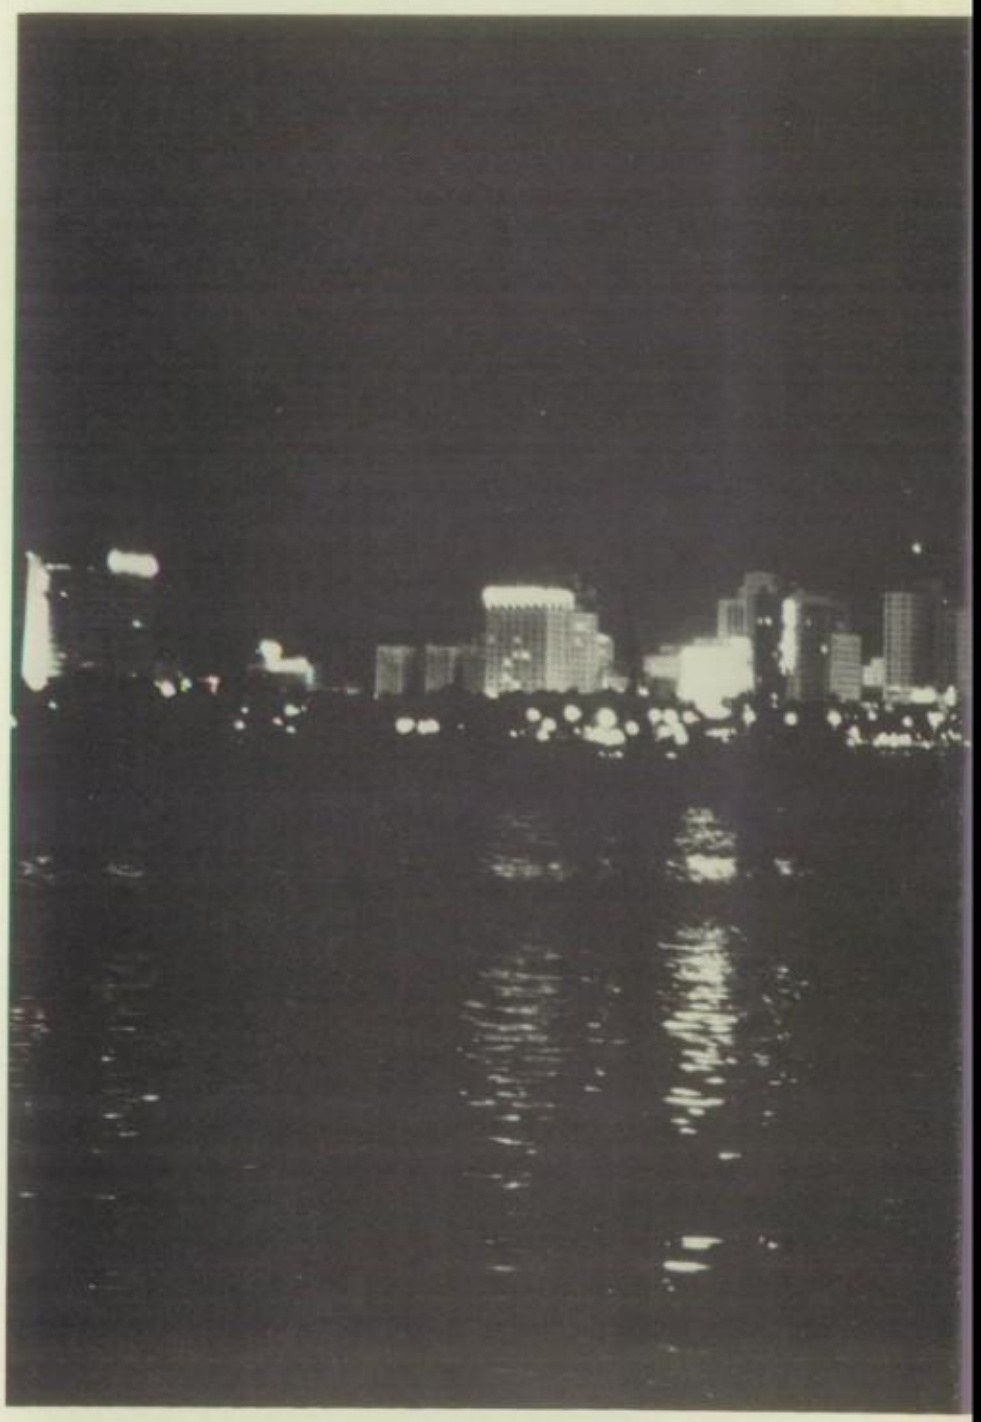
Because as a teacher and a friend you have inspired and guided us, you have become an inseparable part of Miami High. Your duties as Spanish teacher and head of the Foreign Language Department indeed occupy most of your time, but you have never failed to contribute precious hours to the students.

Mrs. Ransom, you are a true Stingaree. Your room is continually decorated in blue and gold, and your spirit is always the highest.

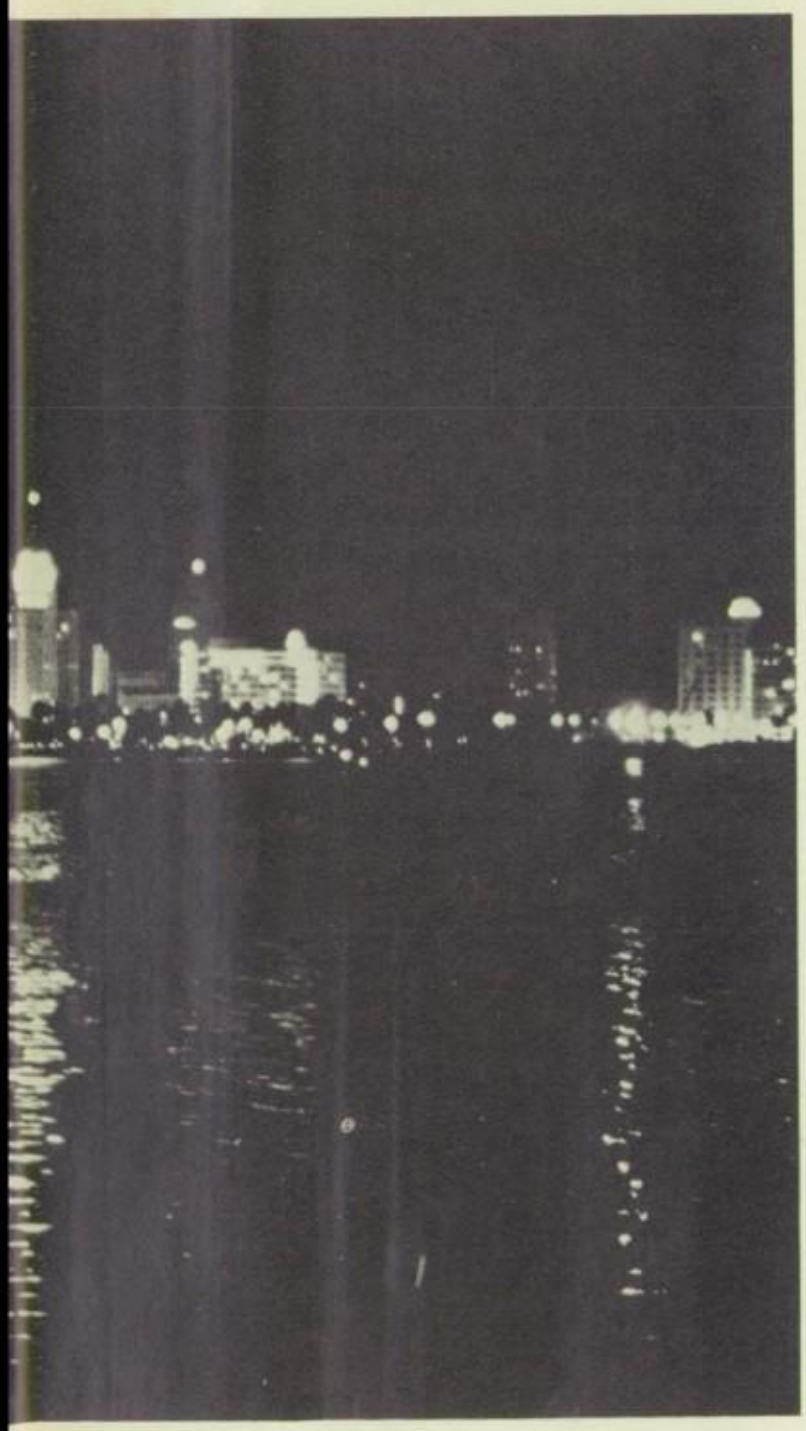
It is for these reasons that the *Miahi* of 1964 is dedicated to you, Mrs. Ransom, as a lasting mark of our deep respect and admiration.

Our year . . .



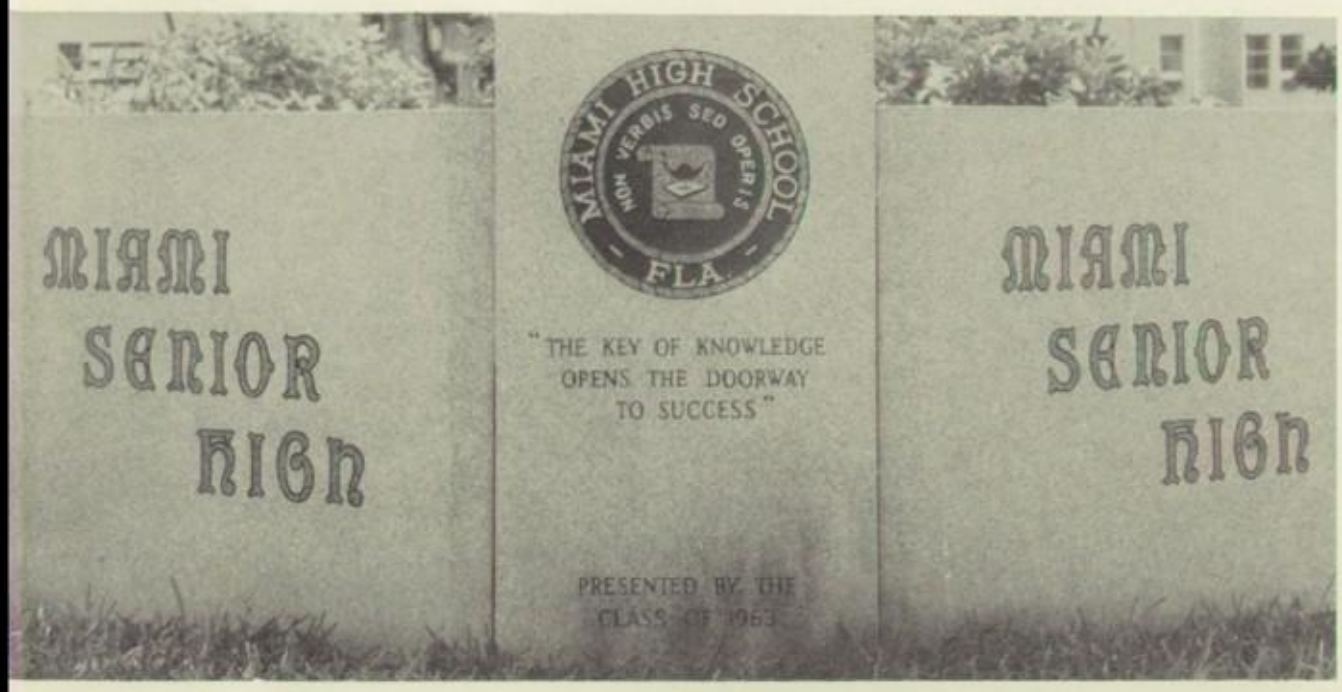


Within the past two years Miami has grown, adding many beautiful buildings to those already here. Developments are being made in schools, buildings, recreational facilities, and commercial buildings. Visitors long remember the magnificent skyline of Miami, the Magic City of the Sunshine State.



In Miami . . .

On the campus . . .



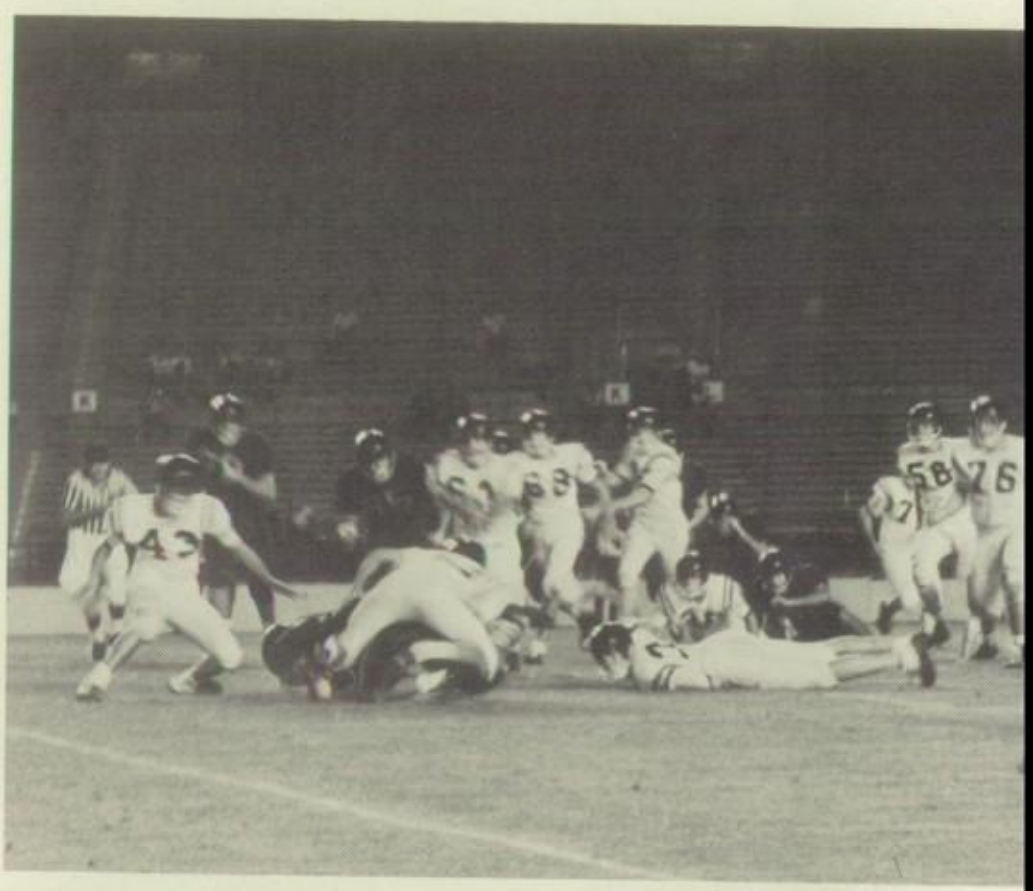
If one stopped to look around him at Miami High, he would see things he never realized were there. The beauty outside and within add a warm atmosphere. The fountains, lamps and archways are all a part of Miami High. And as students pass through the halls, they'll always remember those rainy days when patios looked like swimming pools.

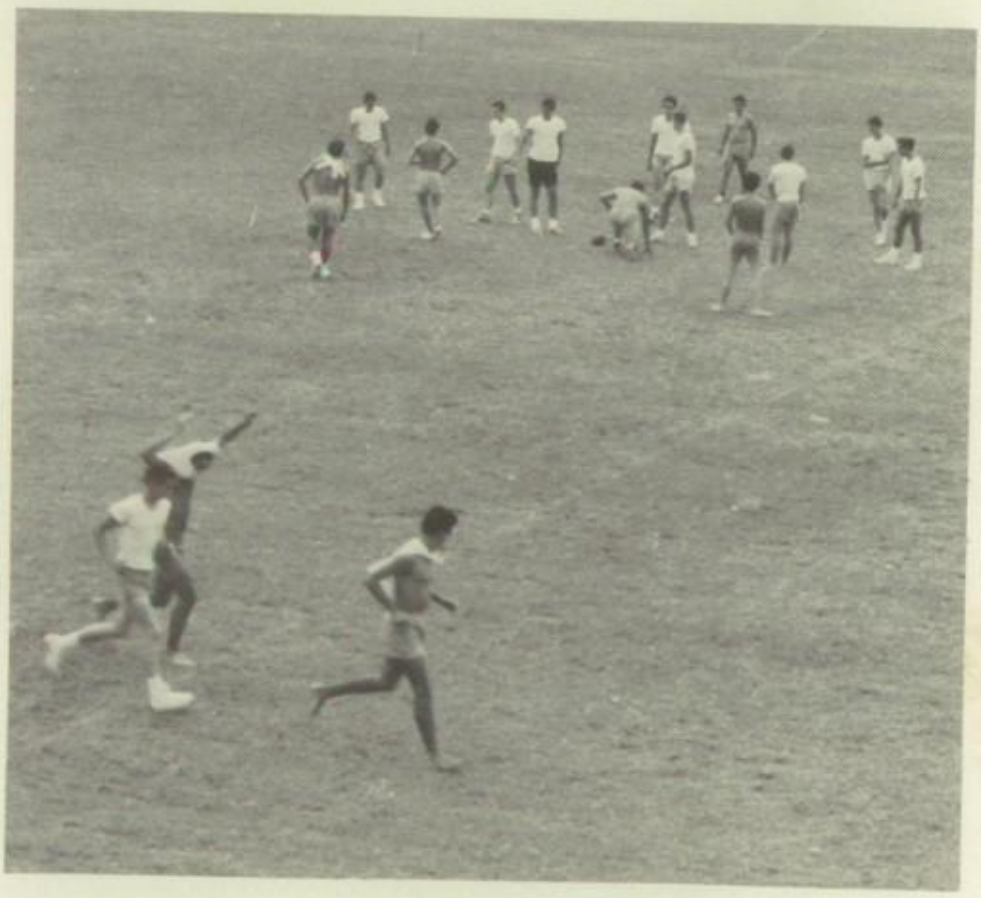
Where we spent . . .

Activity never ceases; there's never a dull moment for students, whether they be attending a tea or cheering at a football game. And then there's always tapping. What could be more amusing than to watch a girl being tapped? Shall we ever forget?

The time of our lives . . .

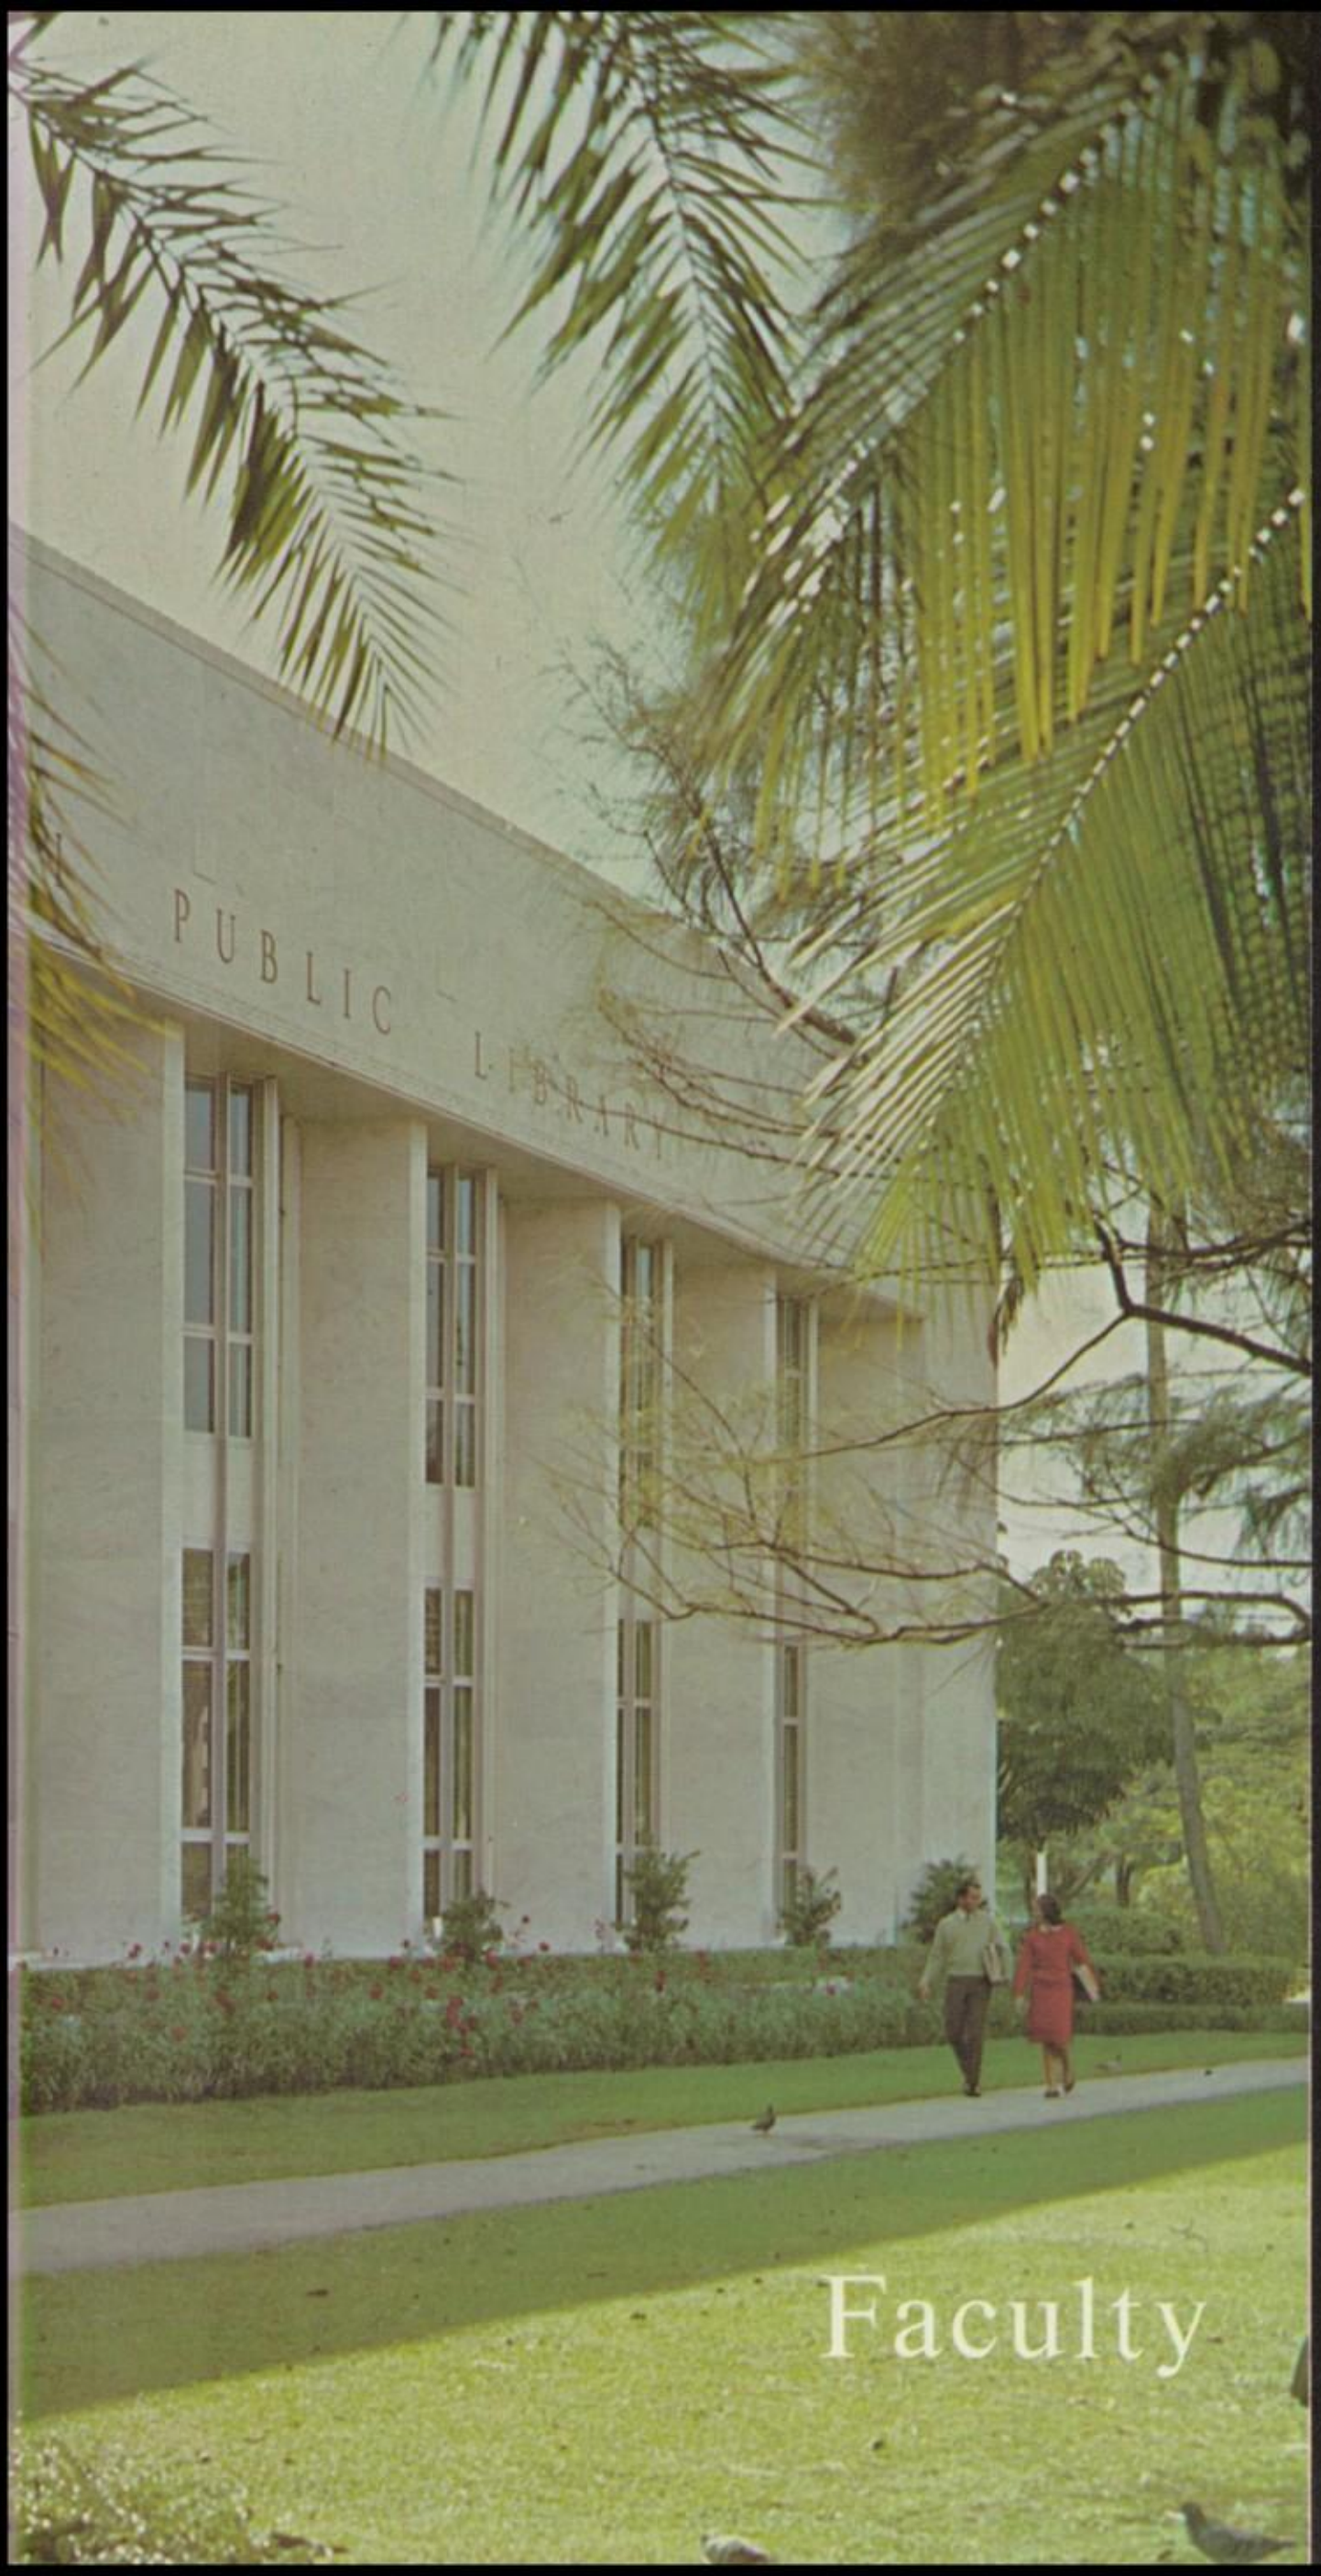
Playing . . .





Weekends provide time to relax and enjoy the many recreations that Miami has to offer. Of course, your club just happens to have a work day, but you find that extra time to do what you want because there's that known fact that Monday you've got to crack those books.

And working . . .



Faculty

Never regard study as a duty, but as the enviable opportunity to learn to know the liberating influence of beauty in the realm of the spirit for your own personal joy.

One cannot present a complete picture of all facets of school life without taking time out to cite the individual student working with his teachers and friends in class.

DURING FOOTBALL season Mr. Black can be seen encouraging the team at a pep rally.

During the past three years the growth and achievements that have been part of Miami Senior High School have also been very much a part of our principal. Mr. Hal Black's guidance and wholesome sincerity have helped to keep Miami High among the best schools in the state.

Attending most of the school functions, Mr. Black keeps track of the academic honors, sports events, and other activities of the school.

Everyone appreciates the careful planning and patience that Mr. Black brings to his daily tasks.

Assistant Principals Work

MRS. SALLILU CRAWFORD

As Assistant Principal for Curriculum, Mrs. Sallilu Crawford strives to keep the standards of the curriculum high. She carries the heavy responsibility of helping to plan varied courses of study that will help to make every Miami High student a better educated person. Mrs. Crawford works closely with our many teachers.

MRS. AGNES DUBOIS AND MR. RANDOLPH SPREEN

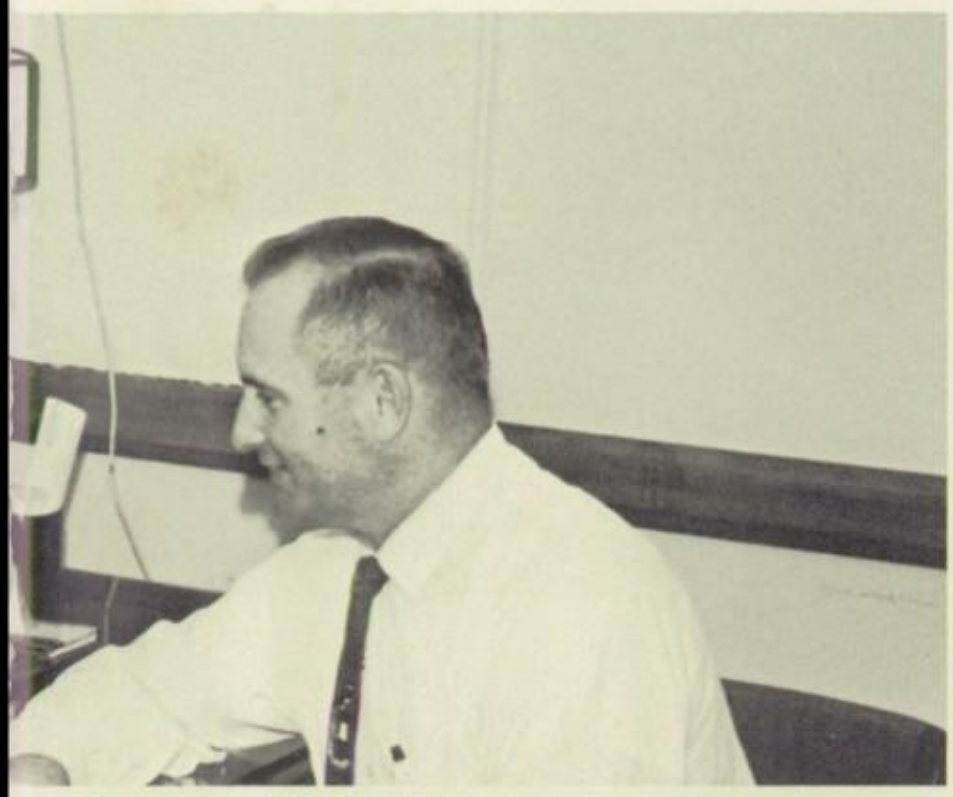
KEEPING ALL homerooms up to date on the latest scholarship information is quite a task for Miss Annie Leigh Rollins.

MRS. AGNES DUBOIS

Assuming the responsibilities of maintaining fine standards within the student body, Mrs. Agnes DuBois, Assistant Principal for Administration, is well known to all at Miami High.

Keeping the attendance of the girls regular takes much of Mrs. DuBois' time. She also supervises the health room and student welfare.

for Good of Miami High



CONFER ABOUT HELPING A STUDENT BE SUCCESSFUL.

THE UNIVERSITY and vocational materials in the Guidance Department can help any stingaree to plan his future with the help of guidance personnel.

MISS ANNIE LEIGH ROLLINS

Miss Annie Leigh Rollins, Assistant Principal for Guidance, is a key figure among the students, for she helps make available to them information concerning careers, universities, and scholarships.

Miss Rollins coordinates the work of her department so that the student body can get the most benefit from Miami High's guidance.

MR. RANDOLPH SPREEN

As Assistant Principal for Administration, Mr. Randolph Spreen has become a very important part of Miami High School. Working with Mr. Black, the school nurse, and other teachers and administrators keeps Mr. Spreen busy.

Having taught physical education and worked as head of that department, Mr. Spreen actively promotes the sports program.

Communication Vital in Today's Complex World

English, perhaps the most important phase of the high school curriculum, plays a major roll in man's communication with other men. Without a clear understanding of our language, no one can be successful in any vocation.

The English Department stresses the importance of the study of the language through instruction in composition, literature, speaking, and correct grammatical usage. Beginning this year, juniors can enroll in a vocabulary course. The reading-writing laboratory for sophomores is another innovation. All sophomores participate in a five-week session to improve writing skills and another five-week period that stresses improvement in reading and comprehension.

Students Learn Language By Audio-Lingual Method

According to Mrs. Loleita Ransom, the audio-lingual presentation for beginning and advanced language students has proven to be an effective method of teaching a foreign tongue.

Goal of the new Spanish "S" classes for Latin American students is greater competence in writing, grammatical usage, and understanding literature. The new blue star classes for third year students present challenges to the linguistically talented who wish to learn more rapidly.

Mathematics Is Becoming More Important Each Year

In today's fast-moving world, mathematics has come to play an increasingly important role. Keeping up with the pace, Miami High is offering new challenges for the college-bound student. This year a new two-hour course carrying double credit is being given in honors math analysis.

Through these new challenges students can learn to think in a logical, precise manner, a skill which will prepare them for study in advanced technology and research.

Teachers not pictured are Mr. Donald Fleming, Mrs. Corinne Johnson, and Mr. George Nichols.

Science Important Field In Modern Atomic World

With today's emphasis on the atomic and space age, the Science Department at Miami High assists the students in becoming more aware of scientific achievements in our changing world.

Goals of the Science Department are to teach the important scientific principles and their application to practical problems in science and technology. Teaching students to solve problems by the scientific method is also stressed.

Science teachers not pictured are Mr. Charles English and Mr. John Sain.

Understanding of Other Countries Is the Goal

"The goal of the Social Studies Department is the development of young people as effective citizens in our American society," says new department head, Mrs. Emily Garris. This year's curriculum has emphasized the importance of understanding the social, economic, and political problems of foreign nations.

Communism and other foreign economies are studied through the reading of many newspapers and news magazines. These periodicals are the basis for much of the classroom work and a wealth of resource material for extra research. The newly entitled "government and economics" classes for seniors have aided the students in becoming more aware of their American economic system and its superiority.

Two experiments are being conducted in the department this year: Large typing classes are being taught with the assistance of teacher aides. The new shorthand laboratories, using electronic equipment, enable the student to take dictation at one of three speeds, depending upon the individual's general aptitude and ability.

Office Personnel

THE MAIN office is a busy place that keeps the secretaries always on the move.

Grades, Credits, Letters Keep Office Workers Busy

Among the many jobs which keep the office workers busy are arranging schedules, making transcripts for graduating seniors, keeping permanent records and checking credits.

With the large enrollment, the office workers have a big job checking on the accuracy of records. They also keep the school correspondence running smoothly and aid the faculty.

Stingtown, U.S.A., bustled with activity. For students found that twenty-four hours just wasn't enough time in which to participate in the varied events of the school. Dances, pep rallies, games, and studies kept everyone jumping from 7:30 A.M. 'til. . . .

A JUNIOR sized "Whippy" learns early that boosting spirit is fun.

Another Summer Over; Stingtown Comes To Life

Miami High was humming again—new Stings found their way around a big and baffling school; old ones again returned to the familiar ringing of bells, climbing of stairs, and excitement of pep rallies and football season! Although February is the shortest month of the year, it is one of the busiest. Activities were many and varied, ranging from the festive Entre Nous Mardi Gras, the spirit-promoting Girls' Council "Hey Day," and the Science Fair to the fun-filled Jamboree and Etude's Sweetheart Formal.

Valentine for a Queen: A Bouquet of Red Roses

February is certainly the month for sweethearts, and Miami High made the traditional choice of that special girl at the annual Etude Sweetheart Formal, held at the Everglades Hotel. Stings waited in suspense as Etude President Alan Dansky crowned our new MHS Sweetheart, Miss Diane Ponce, who burst into teams from joy.

THE ONLY open formal of the year, the Sweetheart Formal is awaited all year by Miami High Students.

HER EXCITEMENT evident, our newly crowned sweetheart expresses happiness to her date, John Peremenis.

The inescapable monotony of T.V. commercials took a lively turn as Miami High's Jamboree lit up the stage once again. Clubs did takeoffs on the "Wonderful World of Commercially Yours." Again the Stage Is Set For Senior Activities

With the spotlight on senior activities, clubs were "closed for business" until next year, and seniors prepared for all that was in store for them during the next month. Highlights were the general awards assembly, the senior banquet, and the traditional senior class play.

Seniors Count the Days As Graduation Draws Near

Graduation, the senior prom, congratulations, decisions, butterflies in the stomach, memories, tears, and yearbook signing led up to that climactic moment when each senior received his diploma. Three memorable years in the life of each senior drew to a close, an event that evoked mingled joy and regret.

A FAMILIAR sight, cramming for final exams keeps most students busy right up until the last minute.

HALFBACK JEFF Giles scores the Stingarees' touchdown from the two-yard line after a seventy-four yard drive.

TONY BORRAS and Butch Henderson discuss defensive and offensive maneuvers during the game.

Stings Bow to Southwest

The Stingarees lost their starting game of the season to the Southwest Eagles by a score of 7-12. This marks the sixth local defeat for the blue and gold in forty-one years. The Stings' only touchdown was the result of a spurring drive led by Jeff Giles, Tony Borras, Chip Goldstein and Dave Thomas late in the third quarter. Don Ricigliano converted for the extra point.

MIAMI HIGH'S OFFENSIVE LINE OPENS UP A HUGE HOLE FOR STINGAREES' HALFBACK TONY BORRAS.

DEFENSIVE BACK LOUIS LANDRY PUTS JAX OUT OF THE GAME BY BREAKING UP A PASS WITH SECONDS LEFT.

FULLBACK CHIP Goldstein advances over the goal as the offensive line clears the way.

DEFENSIVE MEN Corrie Bennett, Robert Hogan, and Tom Abdelnour overcome Jackson's line to pursue Sardino.

HALFBACK JEFF Giles outruns the Jax defense as he goes around right end for the touchdown.

Stingarees Jinx Generals

Before an estimated crowd of 7,386, the Stingarees rallied to a fiery fourth quarter victory over Jackson, with only seconds left to play. The Sting comeback came when Miami High took possession of a bad snap from the Jackson center. Four plays later Chip Goldstein cut the Jackson Generals' margin to 18-13.

In the final minutes an improvised pass play from Quarterback Dave Thomas to Halfback Bob Stinson for forty-seven yards clinched the winning touchdown and made the final score 19-18.

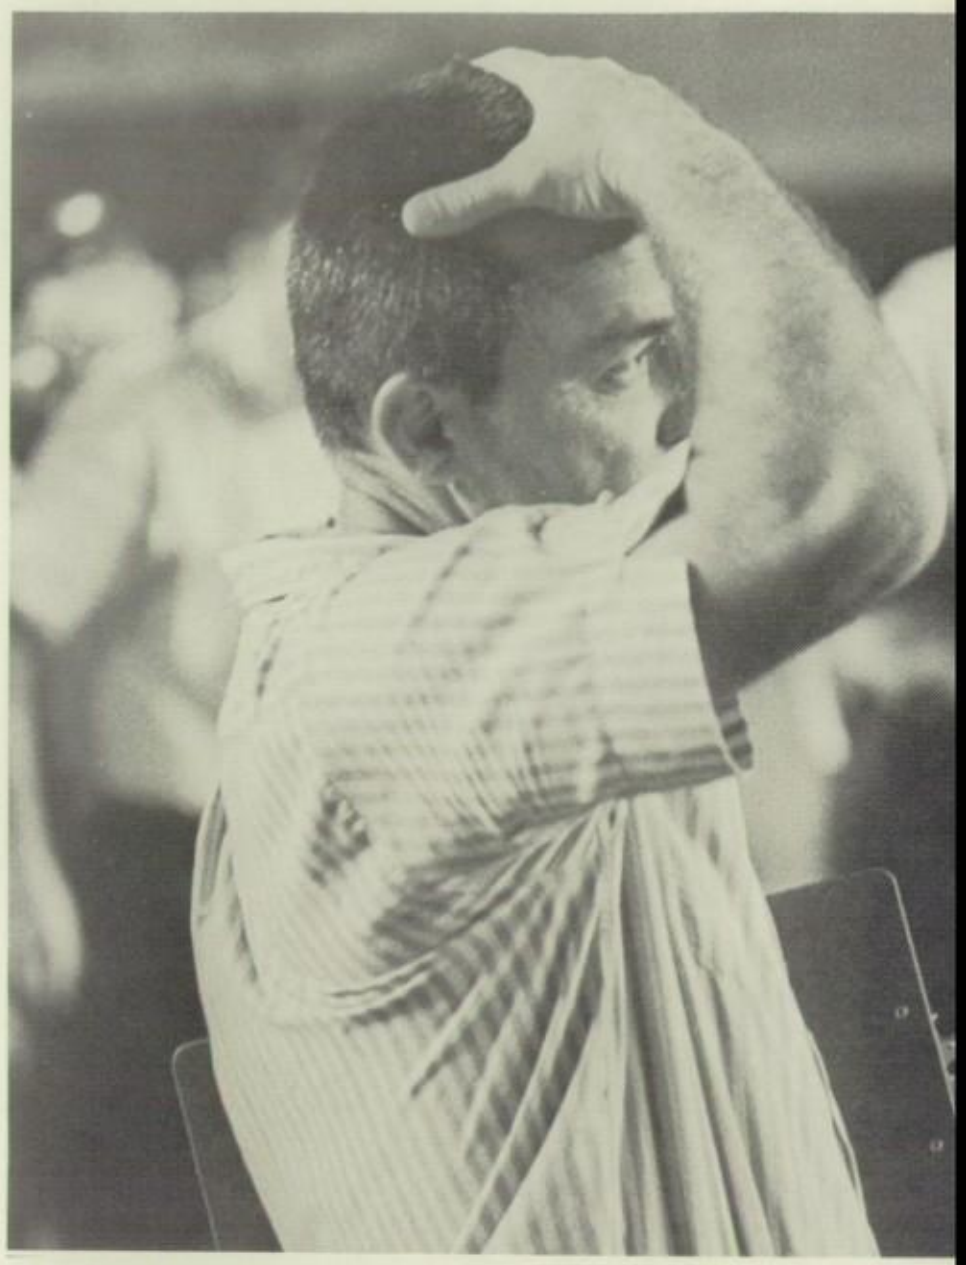
Miami Falls to Jax Lee

Miami High was handed its second defeat of the season at the Gator Bowl, 0-20. Dave Thomas led the offensive battle by completing eight of his fifteen passes for a total of ninety yards.

The Stingarees threatened Lee's goal twice in the fourth quarter when Pat Kelly intercepted a pass from Lee's quarterback, Harmon Wages, but the Generals' defense held the Miami team.

The Stingarees' defense was led by Bill Eades, Tom Abdelnour, and Don Walker.

EXPRESSING HIS enthusiasm, Head Coach Harold Sawyers hollers instructions and encouragement to the team.



WITH AN unconscious gesture, Coach Harold Sawyers shows the intense concentration needed during a game.

Stings Whip Leon Lions

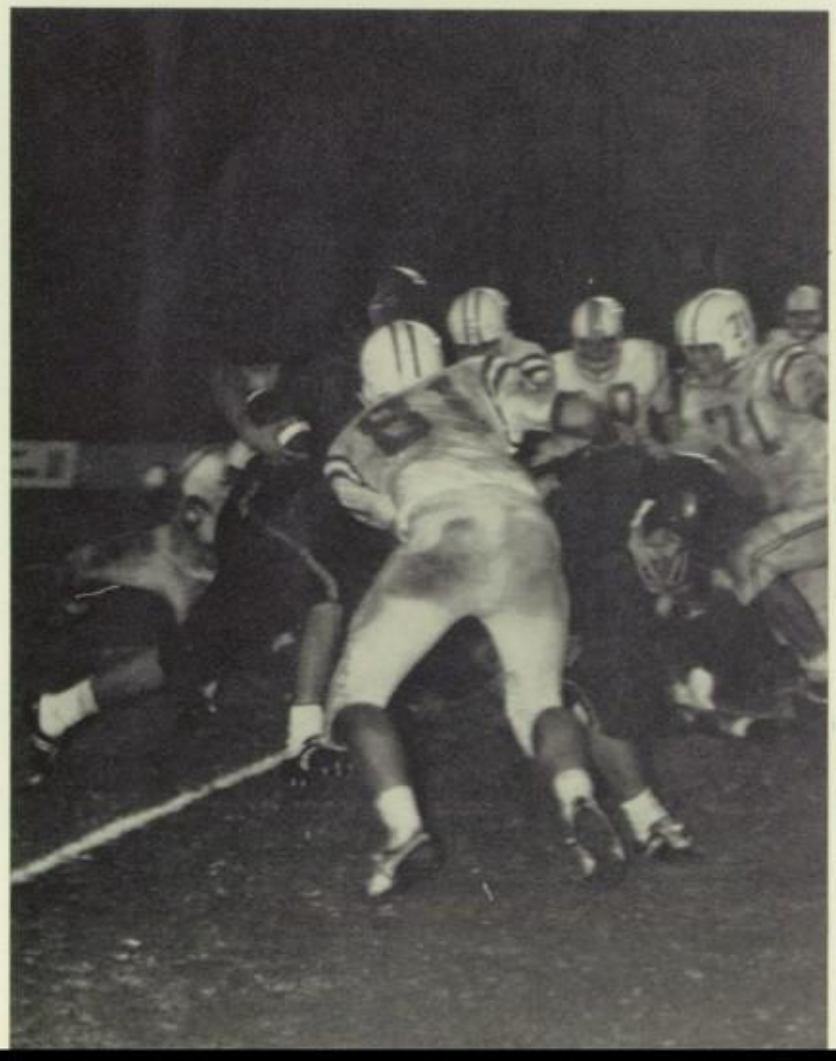
Miami High reverted to its old fashioned football power by defeating Tallahassee 13-0.

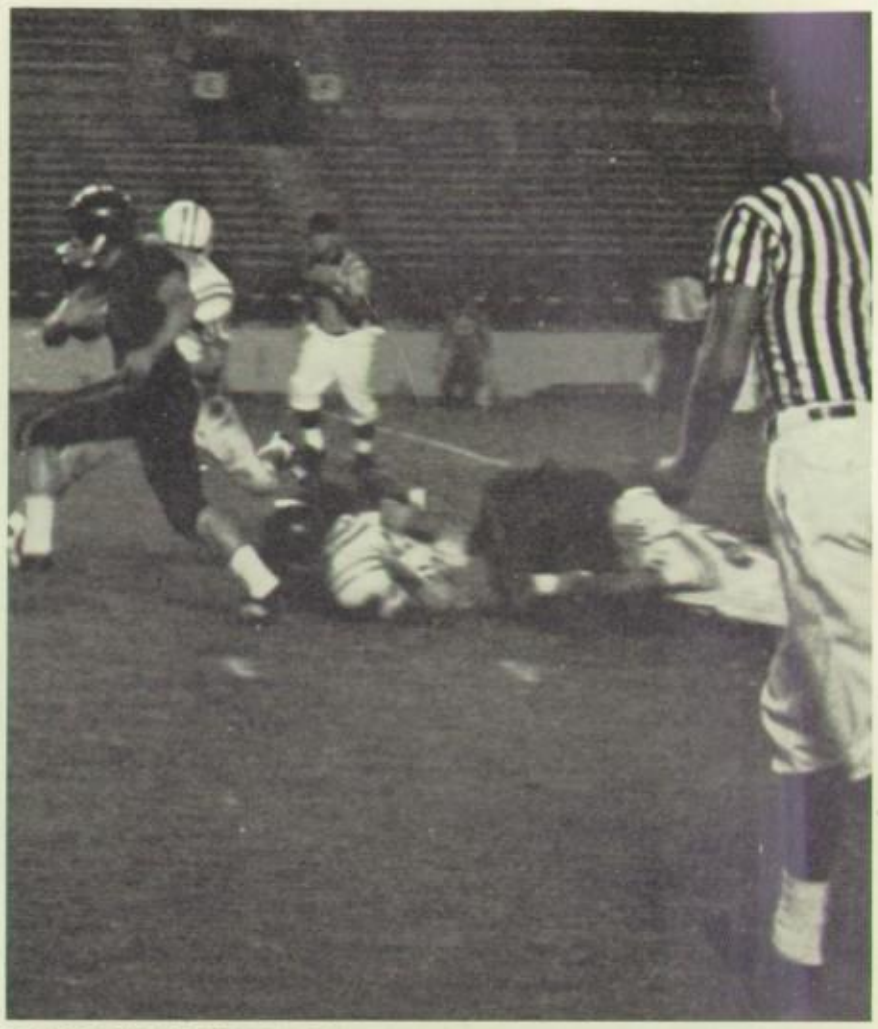
The determination of the offensive and defensive lines outweighed the bewildered Lions.

The Stings ground out 164 yards on scoring assaults. A fifty-eight yard drive in the first quarter and a fumble on the thirty-seven-yard line in the second quarter set up the Stingarees' two touchdowns. Don Ricigliano converted.

HARD HITTING by the Stings' defense causes Leon to fumble; Corrie Bennett recovers.

SPEEDY HALFBACK Buster Sanchez carries as Tony Borras makes a key block.





HALFBACK JEFF Giles breaks away from the Tallahassee Leon tacklers to gain long yardage.

DEFENSIVE LINEMAN Don Walker tackles Leon's Eason while Roy Stine pursues the ball carrier.

Stings Sink Dreadnaughts

The Stingarees showed their spirit in a second consecutive victory which ended in a shutout for the Lakeland Dreadnaughts.

The first score was set up in the third quarter when Carlos Arocha intercepted a pass. After a thirty-yard drive, Giles carried the ball over for the touchdown while the crowd cheered.

With fifty seconds to go, the Stingarees benefited from three consecutive penalties called on Lakeland. Giles broke loose and ran twenty-five yards for the second touchdown. The game ended with a 13-0 victory for Miami.

"COME ON, boy, and make that point!" Nelson Vera shouts encouragement at a crucial moment in the game.

Stings Overpower Tigers

Miami handed Jax Jackson their first loss of the season by defeating the Tigers 14-6.

The first score resulted from a conversion of a Tiger fumble, recovered by Bill Eades. Jeff Giles swept around right end for an eleven-yard touchdown, making the score 7-0.

A second fumble on the forty-seven-yard line was recovered by Victor Avery, and ten plays later Thomas broke over from the one-yard line.

Early in the fourth period, Jacksonville scored. MHS gained 175 yards on the ground.

Gables Rebounds To Win

Coral Gables won a thirteen-second, fourth-quarter victory over the Stingarees. The hopes of the Stings ran high when they held a three-quarter lead. Halfback Jeff Giles climaxed a sixty-two-yard drive by running three yards for the first touchdown with only four seconds remaining before the half.

During the third quarter, Stinson connected with Giles for a twenty-yard scoring pass. In the fourth quarter Gables awoke from a three-quarter sleep when Fullback Phil McKee raced nineteen yards for the first Gables score. The final score came when Quarterback Larry Rentz completed a pass to Mike Ajhar. Two plays later Gables scored. Larry Davidson's kick sealed the victory for Gables. The outcome: 13-14.

Miami High gained 162 yards rushing through the efforts of Jeff Giles and Tony Borras.

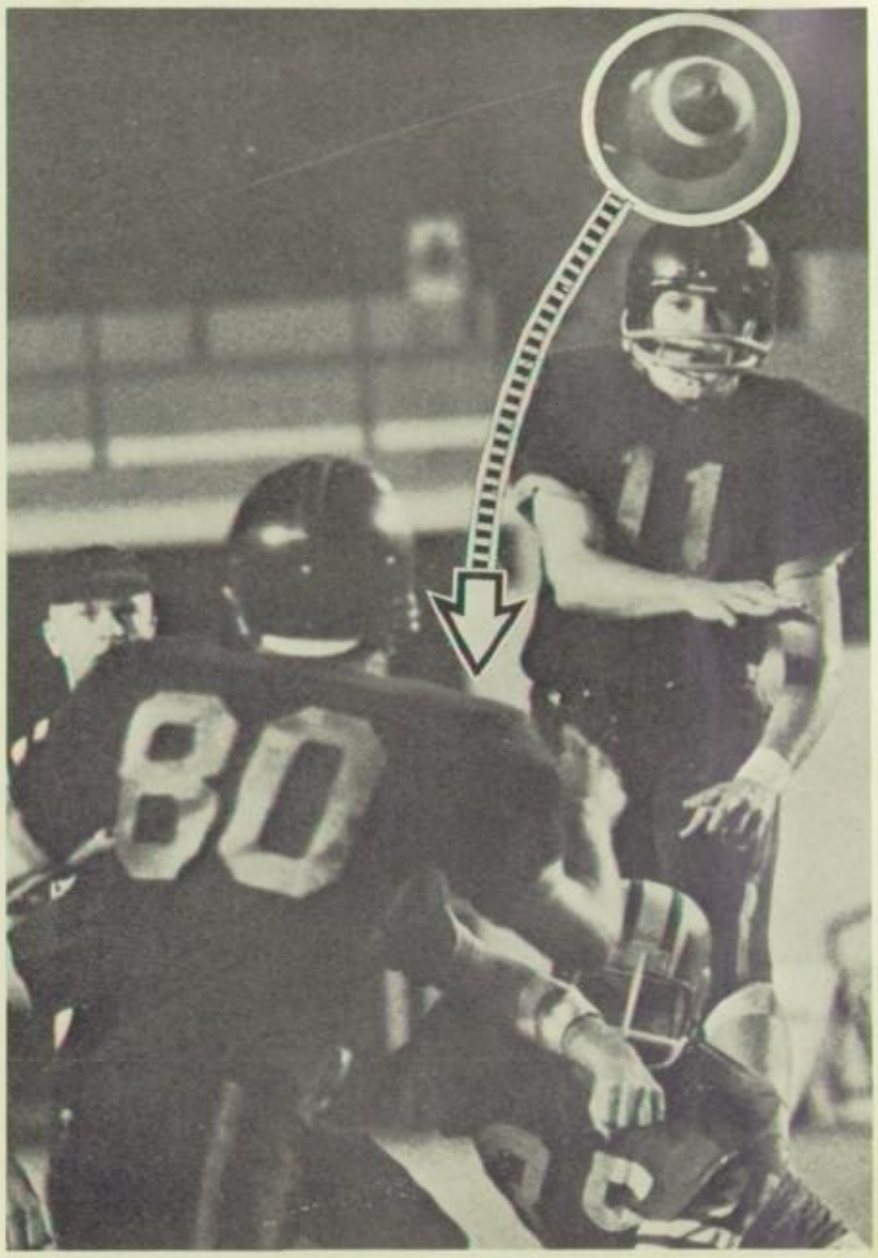
Miami High Stings Edison

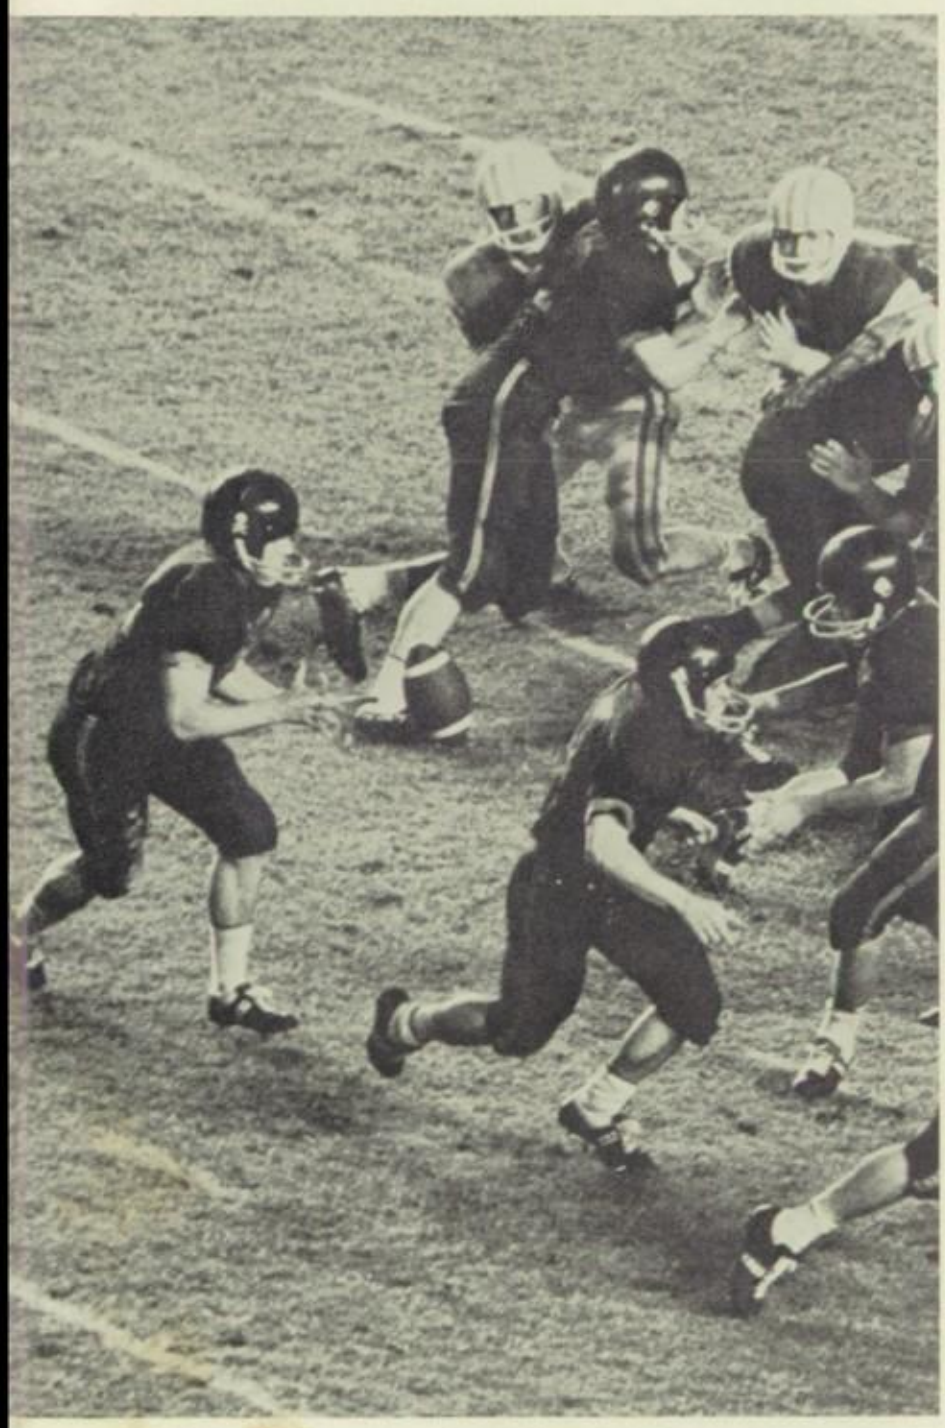
The traditional Thanksgiving game ended in glory for the Stingarees when they stunned Edison with a 26-14 defeat. It marked Edison's thirty-sixth defeat from Miami High in forty-one games. The power sweeps and alert defensive plays paved the way for a typical MHS victory.

On the first play of the game, Edison scored a sixty-eight-yard touchdown. The first MHS score resulted from a six-yard pass from Thomas to Govekar, and the second was set up by a forty-six yard pass to Stinson. Thomas went over for the score. Both touchdowns were the result of pass interceptions by Butch Henderson and Corrie Bennett. The final two touchdowns were set up by a pair of punt returns by Pat Kelly. Jeff Giles and Tony Borras each scored a touchdown.



QUARTERBACK DAVE Thomas connects with End Tony Govekar for the score, the Stings' first touchdown of the game.

THOMAS FAKES a handoff to Borras and pitches out to Giles, who hustles around the end for the touchdown.



THEIR JOY at the end of a rugged season is evident as the Stings honor Coach Harold Sawyers.

Big Blue Shows Promise

The 1963 junior varsity football squad completed a successful year and maintained the reputation that Miami High gridders have always had. The Big Blue scored a total of 102 points while holding their opponents to thirty-three points. Outstanding players to look for next year are Dan Murphy, Manuel Muro, Richard Fortier, and Richard Dwyer.

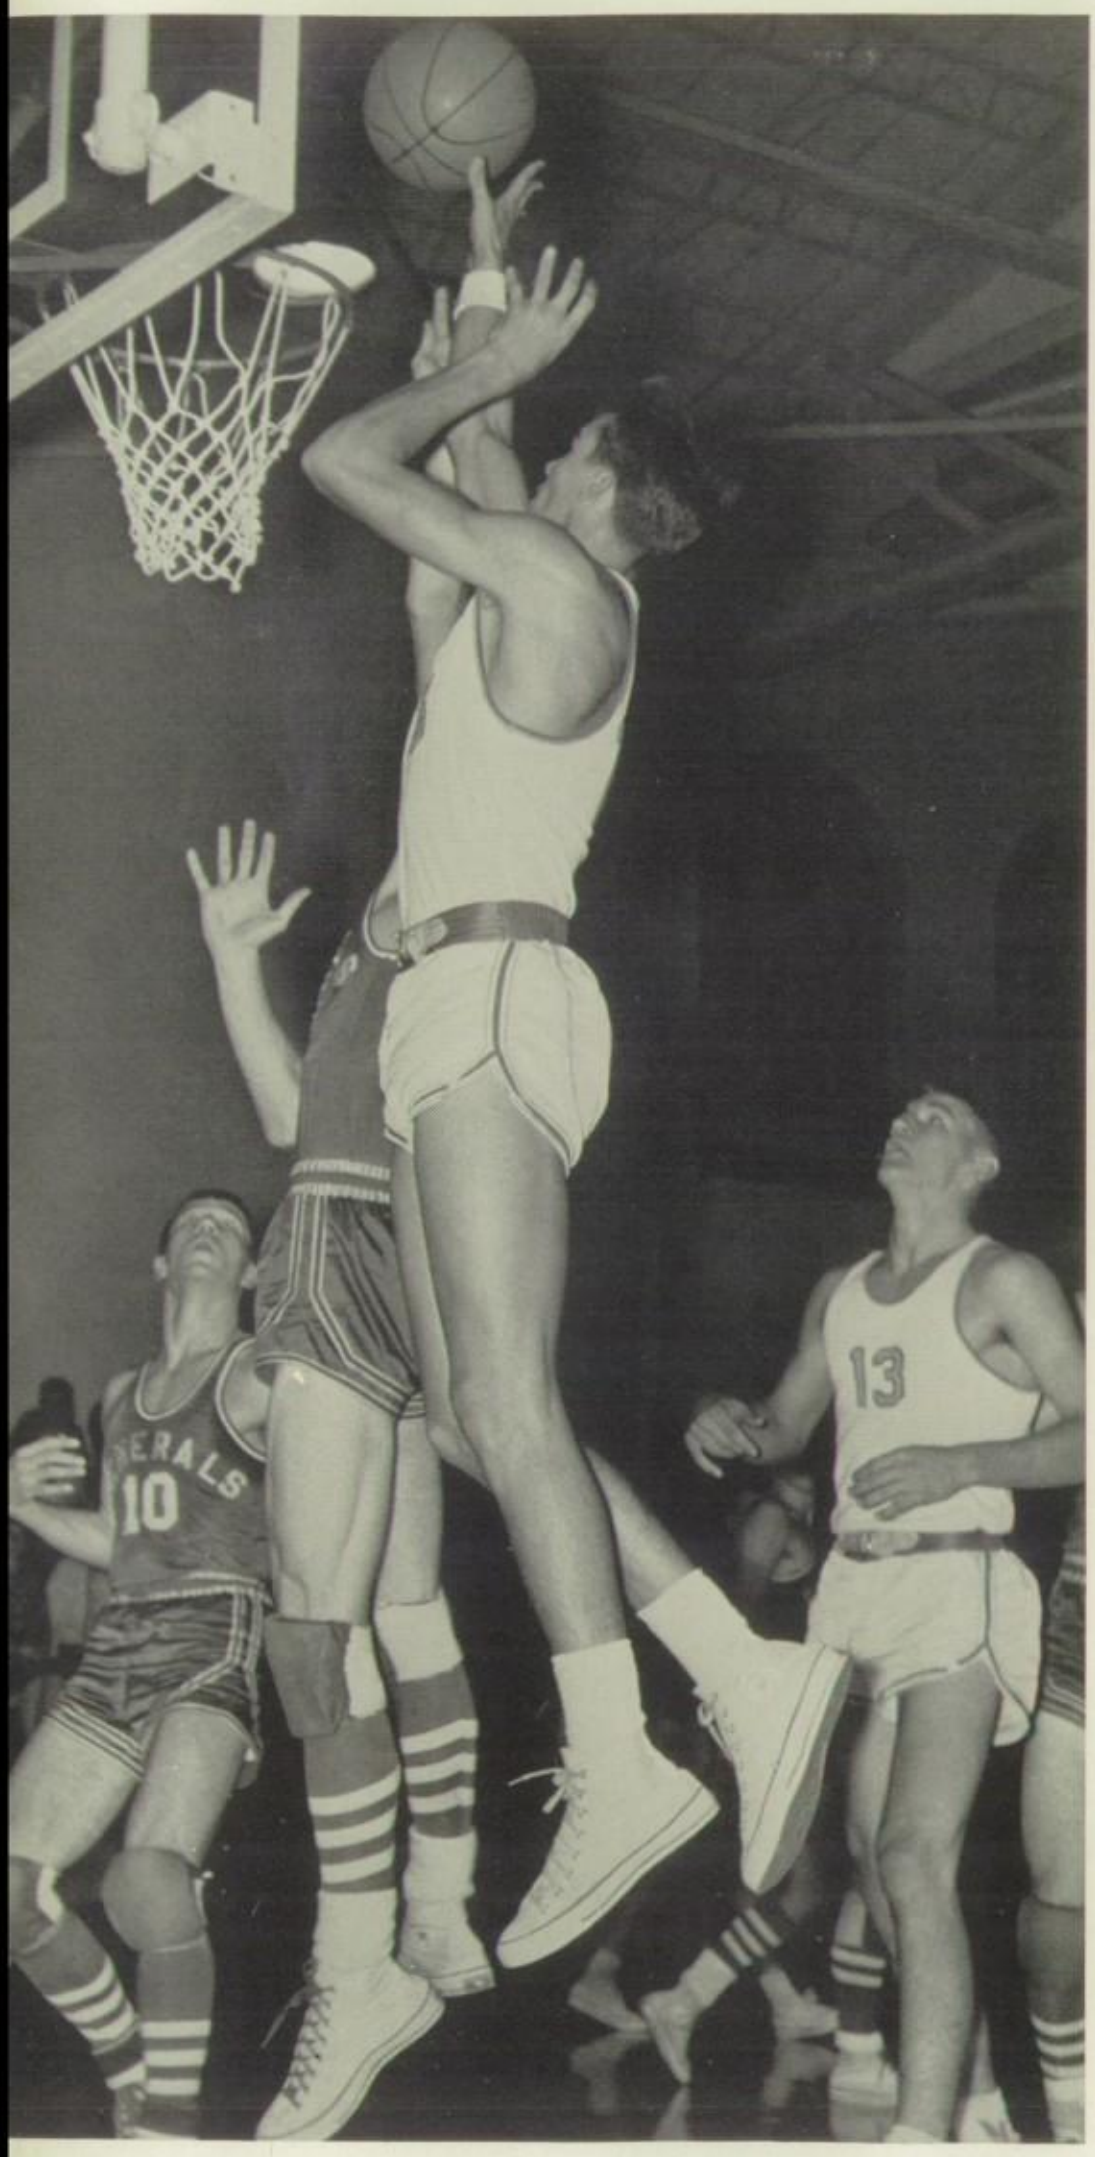
Stingarees Capture District and Regional Titles

SHARPSHOOTER BOB Malinowski evades the Jacksonville Generals' defense to score another field goal.



The 1963-64 basketball season opened without the leadership of Head Coach Vincent Schaefer, who had broken his arm earlier. Despite this drawback, the Stingarees began the year by defeating the Palmetto Panthers. After a loss to the Miami Beach Tides, the Blue and Gold came back with a nineteen-game winning streak. They defeated the Beach Tides and went on to win the District and Regional Championships.

The Blue and Gold's leading personalities were Terry Akins, Pat Kelly, Bob Malinowski, Chuck Schaefer, and Wally Wonsik. The powerful, fast-breaking quintet combined to form a family that no opposing team could penetrate.

The team was recognized by radio station WFUN as the outstanding team in south Florida and a credit to the Dade County athletic program.

Baby Stings Soar to Top With a Victorious Season

The future varsity hoopsters, led by Gene Wood, Kenny Akins, Manual Muro, Andy Tully, and Eugene Smith, completed a successful season by defeating such teams as Miami Beach, Edison, Coral Gables, Palmetto and Everglades.

Under the supervision of Coach Bob Bushong, the Baby Stings combined a speedy offense with a sharp defense as they out-shot, out-rebounded, and out-played their opponents.

The potentiality and the ability displayed by the future varsity team reveals a top-notch Stingaree basketball squad that will retain the Miami High tradition, according to Coach Bushong.

Gymnasts Perform With Agility and Perfection

The 1963-64 gymnastic team, coached by Mr. Paul Verwey, started its season earlier this year and won the starting game. Working as a team, the gymnasts combined their skill to perform effectively in competition with other schools.

Davis, Malinowski Pace This Year's Track Team

The Miami High Invitational Track Meet was held Friday, March 13, at Dade Junior College Stadium. Coral Gables was the top scorer, with Miami High boasting strength in the 800-yard relay and the high hurdle shuttle relay.

Coached by Mr. John Chambers, the Blue and Gold met Coral Gables, Stranahan, Edison, and others.

Outstanding cindermen in the hurdles were Tom Davis and Andy Grabis. Jeff Giles, Robert Hogan, and Mike Doyle paced MHS to victory in the mile. Junior Andy Tully and Senior Terry Akins were our star pole vaulters. High in the state was Bob Malinowski in the broad jump.

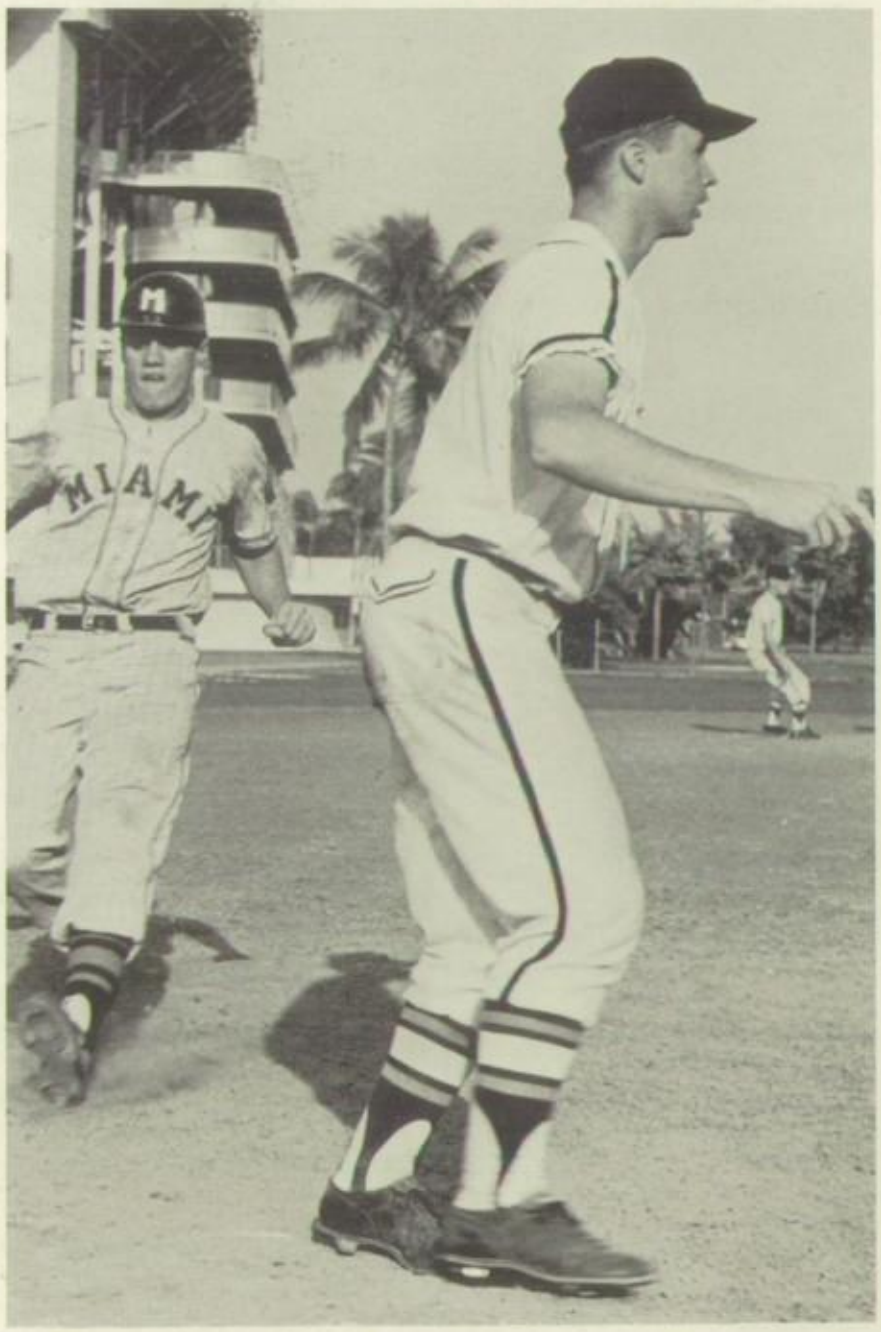
Diamondmen Improve, Attain A Good Record

After weeks of tedious practice, the baseball team started its season with hard luck. However, toward the end of the season they had won eight games. According to Coach Ralph Davis, outstanding players for next year will be Bob Stinson, center field; Luis Solaris, third base; and Carlos Arocha, second base.

DURING THE Edison game, junior pitcher, Bill Turso, looks ready for anything as he waits for the next pitch.

STEALING THIRD base during the Miami Jackson-Miami High game is Stingaree Batman Robert Troy.



RUNNING TOWARD first base is Sophomore Carlos Arocha, this year's second baseman and a promising junior.

Swimming Team Earns Recognition for Miami High

Working to gain skill as individuals and a team, the 1964 aquatic team worked daily at Shenadoah Pool, working for skill, speed, and form.

This year's team, coached by Mr. Andrew Chapman, a former Stingaree, ended the season with a record of five wins and eight losses.

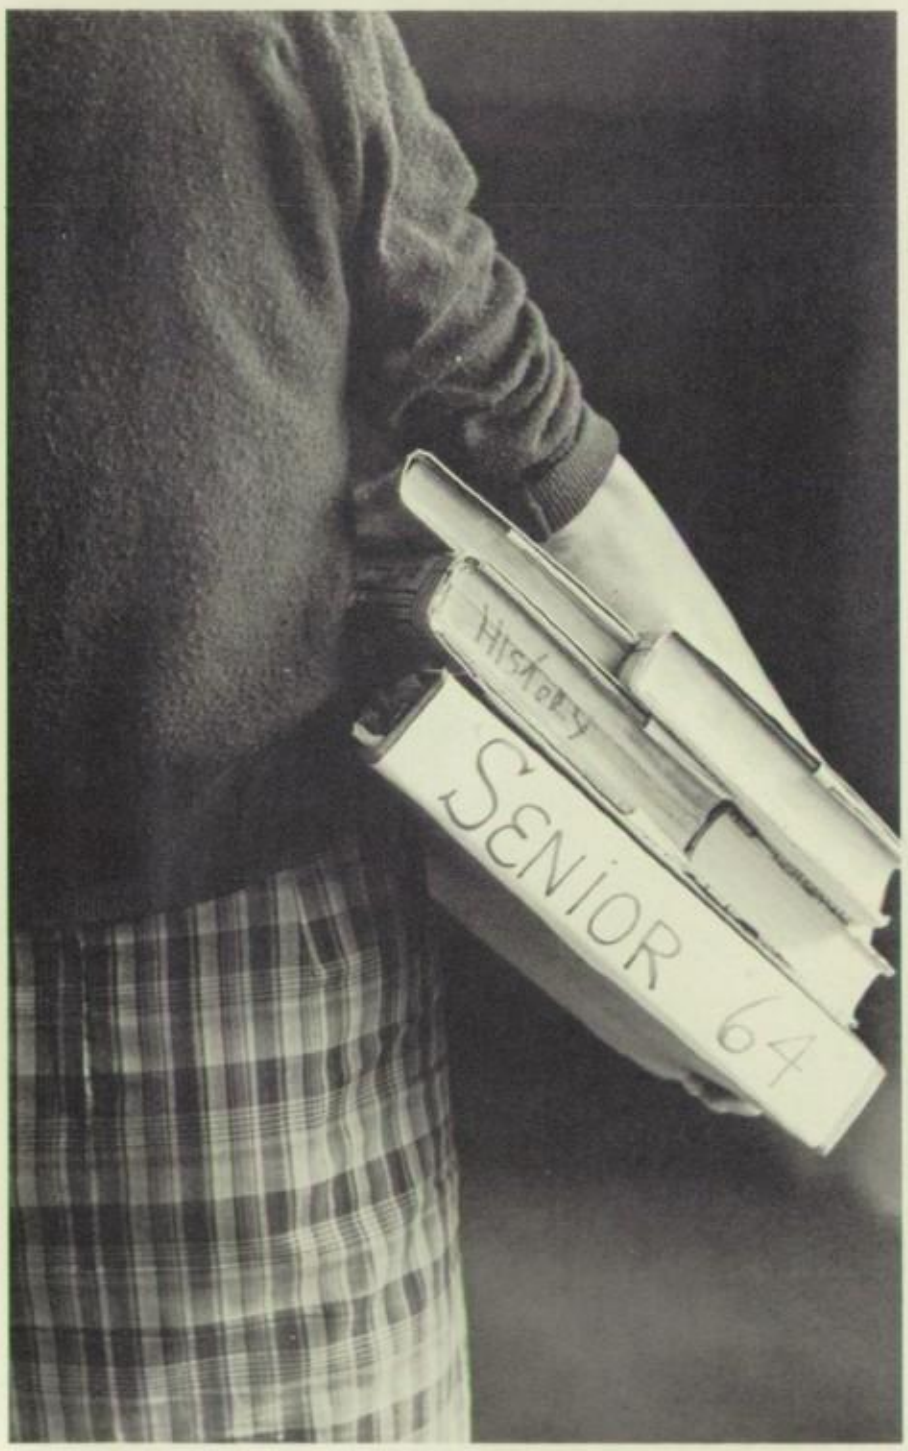
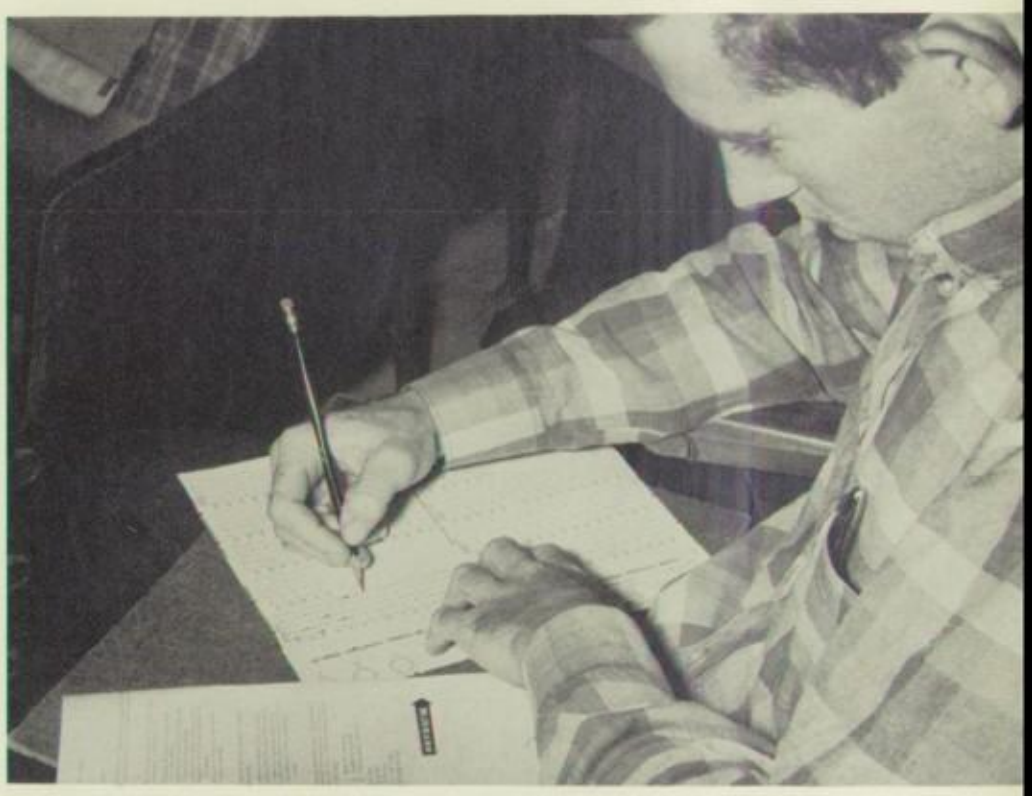
Seniors

Our senior year, that one for which we waited so long, finally arrived—and was over almost before we could catch our breath. Such activities as checking credits, going to proms, and taking tests kept us busy; and almost before we knew it, June and graduation had arrived.





Hall of Fame

For twelve years the tradition of recognizing outstanding students has been carried out through the Hall of Fame. When one realizes that out of one thousand students in a senior class only twenty-four are chosen for such recognition, it becomes obvious that to be included in this section is a rare honor, one eagerly sought by seniors.

These select few have earned this honor because of outstanding accomplishments in various fields including scholarship, service, athletics, leadership, and debate.

Therefore it is with extreme pride that we present to you the 1964 Hall of Fame, seniors who have proven themselves outstanding in high school and who will most certainly continue to distinguish themselves in future years.

Sting Citations

Some people are like light bulbs: they go about their tasks so quietly and efficiently that others don't realize how much these quiet ones contribute to the reputation of Miami Senior High School in every area.

Some quietly work at their academic assignments and constantly head the honor roll, earn Merit recognition, and win scholarships. Others serve the school in a variety of ways, contributing their artistic, literary, and dramatic talent for our enjoyment and working long hours after school to make the half-time shows and other musical presentations successful.

Still others help the administration and faculty complete varied administrative tasks, and organize club service projects to improve the school. Regardless of the area in which they work, it is certain that these persons have one trait in common: they are all sincerely interested in the welfare of our school.

It thus becomes the pleasant duty of the *Miahi* staff to recognize these outstanding people, without whom the Class of 1964 would have been left "in the dark."

Senior Honors

THE AMERICAN LEGION AWARD is given to the senior boy and girl who are most outstanding in courage, character, service, companionship, and scholarship. The recipients of this award are Patti Coleman and Chuck Schaefer.

THE D.A.R. AWARD honors the girl most representative of outstanding dependability, service, leadership, and patriotism. Annette Flink has been chosen because of her service to the Student Council.

ALAN FRISHMAN
Valedictorian

THE SIGMA CHI TROPHY has been awarded to Ira Greenberg for his outstanding accomplishments in leadership and service.

THE S.A.E. TRUE GENTLEMAN AWARD goes to the most courteous boy in the Senior Class. Louis Landy is the recipient.

Honor Graduates

ALAN FRISHMAN
Valedictorian

Intelligence and hard work are the characteristics of these honor graduates. For it was their eagerness to learn and desire to do well that encouraged them to maintain a 3.5 average or above throughout high school. The *Miahi* staff congratulates the following students for their superior scholarship record and wishes them success.

we salute the

GRADUATES!

Congratulations and best wishes for your every success in the coming years. More power to you!

Where do you go from here?

College is your best friend. There are more than 50 colleges and universities in Florida. These fine institutions of higher learning are located right in your own "front yard."

They offer golden opportunities because a college education is worth many times more money in lifetime earnings than its cost.

Prepare for rewarding careers in fabulous Florida. No other state offers greater promise for action-minded, well-trained young people in the exciting years ahead.

In Conclusion . . .

It was our desire to present to you a complete record of this school year. We hope that you thoroughly enjoy this book and refer to it often as a reminder of that wonderful year of our graduation, 1963-1964.

Now that our task is complete, we should like to take this opportunity to single out for special recognition those people whose conscientious help made our job of producing this book just a little easier.
